

## § 220.5

## 32 CFR Ch. I (7–1–15 Edition)

(d) *Procedures for establishing reasonable terms and conditions.* In order to establish that a term or condition of a third party payer's plan is permissible, the third party payer must provide appropriate documentation to the facility of the Uniformed Services. This includes, when applicable, copies of explanation of benefits (EOBs), remittance advice, or payment to provider forms. It also includes copies of policies, employee certificates, booklets, or handbooks, or other documentation detailing the plan's health care benefits, exclusions, limitations, deductibles, co-insurance, and other pertinent policy or plan coverage and benefit information.

[55 FR 21748, May 29, 1990, as amended at 65 FR 7728, Feb. 16, 2000; 67 FR 57740, Sept. 12, 2002]

### § 220.5 Records available.

Pursuant to 10 U.S.C. 1095(c), facilities of the uniformed services, when requested, shall make available to representatives of any third party payer from which the United States seeks payment under 10 U.S.C. 1095 for inspection and review appropriate health care records (or copies of such records) of individuals for whose care payment is sought. Appropriate records which will be made available are records which document that the services which are the subject of the claims for payment under 10 U.S.C. 1095 were provided as claimed and were provided in a manner consistent with permissible terms and conditions of the third party payer's plan. This is the sole purpose for which patient care records will be made available. Records not needed for this purpose will not be made available.

### § 220.6 Certain payers excluded.

(a) *Medicare and Medicaid.* Under 10 U.S.C. 1095(d), claims for payment from the Medicare or Medicaid programs (titles XVIII and XIX of the Social Security Act) are not authorized.

(b) *Supplemental plans.* CHAMPUS (see 32 CFR part 199) supplemental plans and income supplemental plans are excluded from any obligation to pay under 10 U.S.C. 1095.

(c) *Third party payer plans prior to April 7, 1986.* 10 U.S.C. 1095 is not appli-

cable to third party payer plans which have been in continuous effect without amendment or renewal since prior to April 7, 1986. Plans entered into, amended or renewed on or after April 7, 1986, are subject to 10 U.S.C. 1095.

(d) *Third party payer plans prior to November 5, 1990, in connection with outpatient care.* The provisions of 10 U.S.C. 1095 and this section concerning outpatient services are not applicable to third party payer plans:

(1) That have been in continuous effect without amendment or renewal since prior to November 5, 1990; and

(2) For which the facility of the Uniformed Services or other authorized representative for the United States makes a determination, based on documentation provided by the third party payer, that the policy or plan clearly excludes payment for such services. Plans entered into, amended or renewed on or after November 5, 1990, are subject to this section, as are prior plans that do not clearly exclude payment for services covered by this section.

[55 FR 21748, May 29, 1990, as amended at 57 FR 41101, Sept. 9, 1992]

### § 220.7 Remedies and procedures.

(a) Pursuant to 10 U.S.C. 1095(e)(1), the United States may institute and prosecute legal proceedings against a third party payer to enforce a right of the United States under 10 U.S.C. 1095 and this part.

(b) Pursuant to 10 U.S.C. 1095(e)(2), an authorized representative of the United States may compromise, settle or waive a claim of the United States under 10 U.S.C. 1095 and this part.

(c) The authorities provided by 31 U.S.C. 3701, *et seq.*, 28 CFR part 11, and 4 CFR parts 101–104 regarding collection of indebtedness due the United States shall be available to effect collections pursuant to 10 U.S.C. 1095 and this part.

(d) A third party payer may not, without the consent of a U.S. Government official authorized to take action under 10 U.S.C. 1095 and this part, offset or reduce any payment due under 10 U.S.C. 1095 or this part on the grounds that the payer considers itself due a refund from a facility of the Uniformed Services. A request for refund must be

submitted and adjudicated separately from any other claims submitted to the third party payer under 10 U.S.C. 1095 or this part.

#### § 220.8 Reasonable charges.

(a) *In general.* (1) Section 1095(f) and section 1097b(b) both address the issue of computation of rates. Between them, the effect is to authorize the calculation of all third party payer collections on the basis of reasonable charges and the computation of reasonable charges on the basis of per diem rates, all-inclusive per-visit rates, diagnosis related groups rates, rates used by the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) program to reimburse authorized providers, or any other method the Assistant Secretary of Defense (Health Affairs) considers appropriate and establishes in this part. Such rates, representative of costs, are also endorsed by section 1079(a).

(2) The general rule is that reasonable charges under this part are based on the rates used by CHAMPUS under 32 CFR 199.14 to reimburse authorized providers. There are some exceptions to this general rule, as outlined in this section.

(b) *Inpatient hospital and professional services on or after April 1, 2003.* Reasonable charges for inpatient hospital services provided on or after April 1, 2003, are based on the CHAMPUS Diagnosis Related Group (DRG) payment system rates under 32 CFR 199.14(a)(1). Certain adjustments are made to reflect differences between the CHAMPUS payment system and the Third Party Collection Program billing system. Among these are to include in the inpatient hospital service charges adjustments related to direct medical education and capital costs (which in the CHAMPUS system are handled as annual pass through payments). Additional adjustments are made for long stay outlier cases. Like the CHAMPUS system, inpatient professional services are not included in the inpatient hospital services charges, but are billed separately in accordance with paragraph (e) of this section. In lieu of the method described in this paragraph (b),

the method in effect prior to April 1, 2003 (described in paragraph (c) of this section), may continue to be used for a period of time after April 1, 2003, if the Assistant Secretary of Defense (Health Affairs) determines that effective implementation requires a temporary deferral.

(c) *Inpatient hospital and inpatient professional services before April 1, 2003—*

(1) *In general.* Prior to April 1, 2003, the computation of reasonable charges for inpatient hospital and professional services is reasonable costs based on diagnosis related groups (DRGs). Costs shall be based on the inpatient full reimbursement rate per hospital discharge, weighted to reflect the intensity of the principal diagnosis involved. The average charge per case shall be published annually as an inpatient standardized amount. A relative weight for each DRG shall be the same as the DRG weights published annually for hospital reimbursement rates under CHAMPUS pursuant to 32 CFR 199.14(a)(1). The method in effect prior to April 1, 2003 (as described in this paragraph (c)), may continue to be used for a period of time after April 1, 2003, if the Assistant Secretary of Defense (Health Affairs) determines that effective implementation requires a temporary deferral of the method described in paragraph (b) of this section.

(2) *Standard amount.* The standard amount is determined by dividing the total costs of all inpatient care in all military treatment facilities by the total number of discharges. This produces a single national standardized amount. The Department of Defense is authorized, but not required by this part, to calculate three standardized amounts, one for large urban, other urban/rural, and overseas area, utilizing the same distinctions in identifying the first two areas as is used for CHAMPUS under 32 CFR 199.14(a)(1). Using this applicable standardized amount, the Department of Defense may make adjustments for area wage rates and indirect medical education costs (as identified in paragraph (c)(4) of this section), producing for each inpatient facility of the Uniformed Services a facility-specific “adjusted standardized amount” (ASA).
